Report of the Secretary-General

Part I: Programme of work

(b) Implementation of the general programme of work for 2012-2013

I. Introduction

1. This document considers the work undertaken by the UNWTO Secretariat since the last report of this kind presented during the 19th session of the General Assembly (Republic of Korea, October 2011). It covers the full year 2012 and the first half 2013. It is a compilation, and an update, of the following reports to the Executive Council: CE/95/3(III)(b), CE/94/3(I)(c) and CE/93/4(b).

2. It is presented along the Organization’s two strategic objectives: competitiveness and sustainability. Specific information on technical assistance to Members, as well as on special initiatives, is presented in document A/20/5(I)(b) Annex. Additional information is available on the UNWTO website and in the UNWTO Annual Report 2012.

II. Competitiveness

A. Publications

3. The Secretariat published eight issues of the UNWTO World Tourism Barometer (January, March, May, July, September and November 2012, Volume 10, and January and April 2013, Volume 11).\(^1\)

4. The UNWTO Tourism Highlights, 2012 Edition\(^2\), has been released in English, French and Spanish. It presents a concise overview of international tourism in the world based on the results for the year 2011. It includes key trends in international tourism in 2011, results by (sub)region and country of destination, the world’s top tourism destinations, outbound tourism by region and top spenders and long-term forecast.

5. **Compendium of Tourism Statistics** and **Yearbook of Tourism Statistics, 2012 and 2013 editions.** The electronic version of the data pertaining to both is available and updated regularly in the UNWTO e-library (Factbook).

6. **The Middle East Outbound Travel Market with Special Insight into the Image of Europe as a Destination:** Compiled by UNWTO/ETC, this publication provides an in-depth analysis of the structure and trends of this market, helping destinations and commercial operators plan ahead with greater foresight.

7. **Report on Urban Tourism Development in China:** originally released in Chinese by the Shanghai Institute of Tourism in 2009, this English edition provides special insight into China’s cities as source markets as well as destinations.

8. **MICE Industry – An Asian Perspective:** this study brings together theoretical examinations of MICE industry elements and best practice examples of key MICE destinations in Asia and the Pacific.

9. **Tourism Success Stories and Rising Stars – World Tourism Conference Proceedings, 4-6 October 2010, Kota Kinabalu, Sabah, Malaysia:** this publication covers topics ranging from the creation of tourism businesses, service excellence, country branding to tourism product development and marketing.

10. **Domestic Tourism in Asia and the Pacific:** this study compiles domestic tourism statistics from over 15 countries in the region and analyses characteristics focusing on its socio-economic impact and resilient capacity.

11. **Understanding Chinese Outbound Tourism – What the Chinese Blogosphere is Saying about Europe:** this report by ETC and UNWTO provides useful insight into trends, themes and behaviour of Chinese tourists to Europe based on ‘netnographic’ research, or ethnography adapted to the online social world.

12. **The Chinese Outbound Travel Market – 2012 Update:** this update includes the latest trends in the Chinese outbound market and provides useful support to destinations and companies to better understand the structure and behaviour of one the fastest growing outbound markets in the world.

13. **Economic Crisis, International Tourism Decline and its Impact on the Poor:** this report prepared in collaboration with ILO focuses on the impacts of the 2008 crisis on the tourism sector in general and on the poor in particular. It includes three case studies at the country level: Costa Rica, Maldives and Tanzania.

14. **Visa facilitation: Stimulating economic growth and development through tourism:** The report is a UNWTO study on visa facilitation, based on a global evaluation of visa requirements.

15. **Key Outbound Tourism Markets in South-East Asia – Indonesia, Malaysia, Singapore, Thailand and Vietnam (English):** this study, a collaborative project with Tourism Australia (TA), includes a regional overview in terms of tourism and travel patterns, a detailed, country-specific analysis and a comparative evaluation of current and future potential tourism generating countries.

16. **Understanding Brazilian Outbound Tourism - What the Brazilian Blogosphere is Saying about Europe** (English): through an innovative approach, the study draws from the raw streams of...
opinion as expressed by millions of Brazilian bloggers and micro-bloggers, providing a unique opportunity to understand potential travellers in a way that only such modern research tools allow.

17. Translation into French of the report: Demographic Change and Tourism

18. Affiliate Members Global Reports:

(a) **Vol. 3: LGBT Tourism**: this report, launched during the ITB 2012, is part of a series of in-depth reports on emerging markets in global tourism. Volume 1 examined the world of Tourism and Technology while Volume 2 demonstrated the Power of Youth Tourism.

(b) **Vol. 4: Food Tourism**: the report analyses the current situation of Food Tourism, through a survey of the UNWTO Affiliate Members as well as the reflections of professionals with extensive experience in international organizations, destination management, tourism companies and the training schools.

(c) **Vol. 5: Aviation**: the report explores the following areas:

i. Which comes first: capacity growth or route demand?
ii. Why ‘buying’ demand doesn’t always work
iii. How the low-cost revolution has changed tourism in Europe and beyond

(d) **Vol. 6: City Tourism**: the report is based on a wide-ranging study carried out by the UNWTO Affiliate Members Programme among 21 of the world’s most-visited cities, providing insight into their urban tourism strategies and priorities.
