Provisional agenda item 3(III)(b)

Report of the Secretary-General

Part III: General programme of work for 2012-2013

(b) Report of the Secretary-General on the implementation of the general programme of work

I. Introduction

1. This document considers the work undertaken by the UNWTO Secretariat since the last report of this kind presented during the 94th session of the Executive Council (Campeche, Mexico, October 2012). It covers the period from mid-2012 to end of March 2013. It is presented along the Organization’s two strategic objectives: competitiveness and sustainability. Specific information on technical assistance to Members is presented in document CE/95/3(III)(b) Annex.

II. Competitiveness

A. Publications

2. The Secretariat published four issues of the UNWTO World Tourism Barometer (September and November 2012, Volume 10 and January and March 2013, Volume 11).

3. Compendium of Tourism Statistics and Yearbook of Tourism Statistics, 2013 edition. The electronic version of the data pertaining to both is available and updated regularly in the UNWTO e-library (Factbook).

4. Domestic Tourism in Asia and the Pacific: this study compiles domestic tourism statistics from over 15 countries in the region and analyses characteristics focusing on its socio-economic impact and resilient capacity.

5. Understanding Chinese Outbound Tourism – What the Chinese Blogosphere is Saying about Europe: this report by ETC and UNWTO provides useful insight into trends, themes and behaviour of Chinese tourists to Europe based on ‘netnographic’ research, or ethnography adapted to the online social world.
6. **The Chinese Outbound Travel Market – 2012 Update**: this update includes the latest trends in the Chinese outbound market and provides useful support to destinations and companies to better understand the structure and behaviour of one the fastest growing outbound markets in the world.

7. **Economic Crisis, International Tourism Decline and its Impact on the Poor**: this report prepared in collaboration with ILO focuses on the impacts of the 2008 crisis on the tourism sector in general and on the poor in particular. It includes three case studies at the country level: Costa Rica, Maldives and Tanzania.

8. **Affiliate Members Global Reports**:

   (a) **Vol. 4: Food Tourism**: The report analyses the current situation of Food Tourism, through a survey of the UNWTO Affiliate Members as well as the reflections of professionals with extensive experience in international organizations, destination management, tourism companies and the training schools.

   (b) **Vol. 5: Aviation**: The report explores the following areas:

   i. Which comes first: capacity growth or route demand?
   
   ii. Why ‘buying’ demand doesn’t always work
   
   iii. How the low-cost revolution has changed tourism in Europe and beyond

   (c) **Vol. 6: City Tourism**: The report is based on a wide-ranging study carried out by the UNWTO Affiliate Members Programme among 21 of the world’s most-visited cities, providing insight into their urban tourism strategies and priorities.

9. **Visa facilitation: Stimulating economic growth and development through tourism**: The report is a UNWTO study on visa facilitation, based on a global evaluation of visa requirements.²

10. Translation into French of the report: **Demographic Change and Tourism**
