Programme and Budget Committee (PBC)

Merger of former PC and CBF approved during AG19 (Oct 2011)

In the White Paper (2011), it was advised to integrate the work of the Programme Committee with that of the Committee on Budget and Finance; indeed, it seemed advisable that these two committees be merged into one, so as to ensure that there is consistency between the programme priorities established by the former and the budgetary and resource allocations made by the latter.
