Annex. Article 34 of the Statutes and Paragraph 13 of the Financing Rules attached to the Statutes

A. Article 34 of the Statutes

1. Article 34 of the Statutes concerning the suspension of Members provides as follows:

"1. If any Member is found by the Assembly to persist in a policy that is contrary to the fundamental aim of the Organization as mentioned in Article 3 of these Statutes, the Assembly may, by a resolution adopted by a majority of two-thirds of Full Members present and voting, suspend such Member from exercising the rights and enjoying the privileges of membership.

"2. The suspension shall remain in force until a change of such policy is recognized by the Assembly."

2. At its seventh session the General Assembly adopted the following resolution A/RES/217(VII) concerning the application of these provisions:

A/RES/217(VII)

Suspension of Members in arrears in the payment of statutory contributions: Article 34 of the Statutes

"The General Assembly,

"Considering decision CE/DEC/2(XXX) by which the Executive Council recommended the Assembly to apply Article 34 of the Statutes and consequently to suspend the Members of the Organization whose contribution arrears are equal to or exceed the contributions owed by such Members for four financial years and who have not, within six months, agreed with the Secretary-General on a payment plan for reimbursing these arrears,

"Considering document A/7/10(j) prepared by the Secretary-General pursuant to the above Executive Council decision,

"Recognizing that Article 34 of the Statutes, which provides the sanction of suspension when a Member persists in a policy that is contrary to the fundamental aim of the Organization as mentioned in Article 3 of the Statutes, becomes applicable in the case of prolonged non-payment of obligatory contributions to the Organization's budget, such an attitude clearly constituting a policy contrary to the aims of WTO,

"1. Decides to apply henceforward the measure of suspension provided for in Article 34 of the Statutes:

(a) when a Member of the Organization has accumulated contribution arrears in respect of any four financial years, which need not be consecutive, partial payment of contributions not preventing the measure of suspension being applied, and;

(b) when the aforementioned Member has not agreed a payment plan for the contribution arrears with the Secretary-General within a period of one year from the date of the resolution by which the Assembly noted that the measure of suspension was applicable to the Member pursuant to Article 34 of the Statutes;

.....................
3. Requests the Secretary-General to apply the present resolution and to inform each session of the Executive Council concerning its application.

B. Paragraph 13 of the Financing Rules attached to the Statutes

3. The provisions of paragraph 13 of the Financing Rules attached to the Statutes read as follows:

"13. A Member which is in arrears in the payment of its financial contributions to the Organization's expenditure shall be deprived of the privileges enjoyed by the Members in the form of services and the right to vote in the Assembly and the Council if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two financial years. At the request of the Council, the Assembly may, however, permit such a Member to vote and to enjoy the services of the Organization if it is satisfied that the failure to pay is due to conditions beyond the control of the Members."

4. In this regard, at its sixth session the Assembly adopted the following resolution:

A/RES/162(VI)

"The General Assembly,

..................

"Confirms the following provisions;

"When a Full Member becomes subject to the provisions of paragraph 13 of the Financing Rules and Regulation 8(7) of the Financial Regulations, the Assembly may restore that Member's right to vote and to enjoy the services of the Organization, only on an exceptional basis, when:

"1. the Member has explained the reasons for its failure to pay in writing and has requested the restoration of its rights in writing;

"2. the Council finds that the circumstances are beyond the Member's control;

"3. the Council and the country concerned have agreed to the measures which should be taken in order to settle the arrears."
