V. **Outputs and follow up:**

- The CTC members elaborated the following provisional definitions/concepts which will be subject to the CTC members for further consideration and final consensus and to the Executive Council for endorsement:
  - Tourism destination
  - Destination management / marketing organization
  - Tourism product
  - Tourism value chain
  - Quality of a tourism destination
  - Innovation in tourism
  - Competitiveness of a tourism destination

- A simplified framework for destination competitiveness has also been identified including a list of quantitative and qualitative factors under two topics: i) governance, management and market dynamics, ii) destination appeal, attractors, products and supply.

- The Secretariat established a solid co-operation with ISO through AENOR (Spanish Association for Standardization) to mutually adopt the already elaborated definitions which are on the working agenda of ISO Technical Committee 228 for related standards and forms.

- During the period 2015-2019 the Committee will also work on harmonizing further definitions and concepts for review and consensus such as:
  - Urban/city tourism
  - Ecotourism
  - Adventure tourism
  - Cultural tourism
  - Religious/spiritual tourism
  - Rural tourism
  - Wellness/spa tourism
  - Medical tourism
  - Mega events tourism
• Meetings Industry, etc.

- A new initiative (proposed by Peru – Chair of CTC) will be launched with the aim of elaborating a series of technical publications which analyze and conceptually define the quantitative and qualitative factors of destination competitiveness and at the same time showcase a number of destinations at national, regional and/or local levels which already developed efficient methodologies, tools and indicators to evaluate their competitiveness, given some of the related factors/variables.
