Affiliate Members

(a) Report of the Chair of the Affiliate Members

I. Introduction

1. The purpose of this report is to present an overview of the latest initiatives carried out by the Affiliate Members Programme since the date of the last report, presented at the 104th session of the UNWTO Executive Council in October 2016 in Luxor, Egypt, up until the date of the present report.

2. The activities of the 2016 and 2017 Action Plan are being carried out as indicated, with the support of an increasing number of Affiliate Members in the different initiatives underway. The Affiliate Members Programme is continuing to use various tools such as networks, working groups, prototypes, reports, joint research projects with the Affiliate Members and technical conferences. These initiatives contribute to the practical application of public-private collaboration by engaging and grouping together different members, according to areas of interest, encouraging interaction and networking, as well as knowledge exchange.

3. The 504 current Affiliate Members of the Organization constitute an enormously valuable asset for projecting and broadening the principles and image of the UNWTO in the outside world. Today, we can feel satisfied over the high sense of commitment of these entities to the best values of world tourism, setting a clear example for the world’s other tourism organizations. In turn, their diversity, prestige and professionalism link us with the best management practices that they represent. The more details on the affiliate members situation are included in the Annex I.

II. Activities

The result of this exercise is incorporated to the present document as Annex III.

8. Insofar as the Executive Council endorses the proposal submitted by the Working Group and the UNWTO Secretariat, the Rules of Procedure will be submitted to the next session of the Plenary of the Affiliate Members for approval, prior to the ratification by the 22nd session of the General Assembly, in accordance with Article 13 of the Rules of Procedure of the Committee of the Affiliate Members.

Annex II: The Joyful Journey - A UNWTO Wine Tourism Network

‘THE JOYFUL JOURNEY - A UNWTO WINE TOURISM NETWORK’: DESCRIPTION AND TERMS AND CONDITIONS OF PARTICIPATION

INTRODUCTION

Wine tourism, an essential component of food tourism, has become in recent years a strategic component that allows us to experience the culture and lifestyle of the different places and a determining factor when selecting destinations.

Wine tourism presents the classic values that are associated with new trends in tourism: respect for culture and tradition, authenticity, experience…

Also, wine tourism represents an opportunity to boost and diversify tourism, promote local economic development, involving different professional sectors (producers, expert sommeliers, gourmet shops...) and incorporates new uses to the primary sector.

In the words of Dr. Taleb Rifai, UNWTO Secretary-General, "Wine tourism represents a growing segment with immense opportunities to diversify demand."

This prominent role of wine tourism in the choice of destination and tourism consumption has resulted in the growth of wine tourism offerings based on quality local products and in the consolidation of a market for wine tourism.

For these reasons, to promote the development of this tourism segment, UNWTO has decided to launch its wine tourism network: The Joyful Journey - A UNWTO Wine Tourism Network.

WHAT IS "THE JOYFUL JOURNEY - A UNWTO WINE TOURISM NETWORK"

“The Joyful Journey - A UNWTO Wine Tourism Network” is a forum for work and reflection within the framework of the Affiliate Members Programme in which participants will be able to interact, share and access relevant information.

They can also benefit from a platform to generate, disseminate and apply specific knowledge in order to take advantage of the enormous potential of gastronomy to mobilize a wide variety of sectors and resources.

In this forum, experts, destinations, academic institutions and a wide variety of public and private sector actors can work together in shaping the future of the tourism sector linked to wineries.

“The Joyful Journey - A UNWTO Wine Tourism Network” will be officially launched in May 2017, after approval by the Executive Council.
