Niseko Rules

Niseko Rules are Niseko area’s official regulations created for the safety and freedom of every skier and snowboarder riding inside or outside the ski resort boundaries.

1. Strictly Off Limit Areas are not to be entered at any time.
   - No No Saka and Min no Tai are “Strictly Off Limit Areas” determined by the Niseko Rules. Whoever riding those areas will have their lift pass confiscated.

2. Ducking Ropes is prohibited.
   - Ducking any ropes is prohibited. If you do, you lift pass will be confiscated. Use designated gates to access the out of bounds area.

   - The areas outside the resort boundaries (including the piste area, National forests and parks) are not controlled, or supervised by the ski resorts. Niseko Rules prohibit that hiking and entering these areas resemble steeplechase and if you do it at your own risk.

4. Do Not Step Out of Bounds When Gates are Closed.
   - The access gates will be closed during hazardous conditions and out of bounds skiing will be strictly prohibited.

5. Niseko Avalanche Information:
   - The “Niseko Avalanche Information” is the official information published by the “Niseko Avalanche Information”. This information can be found on lift stations, access gates or on the internet.

   - You are responsible for the cost of search and rescue operation from any out of bounds areas.

7. Ski and Mountain Patrol.
   - Niseko Rules demand all resort users to respect and follow the instructions of the Ski Patrol and the Shiforno Mountain Patrol.

8. Respect Each Other.
   - Niseko’s ski resorts and the locals respect the freedom of the visitors, but are concerned about their safety, and expect the visitors to respect the Niseko Rules.
