PARTNERSHIP OPPORTUNITIES
INVESTOUR

INVESTOUR - The Investment and Tourism Business Forum for Africa, is an initiative promoted by Casa Africa, The World Tourism Organization (UNWTO) and FITUR.

Annually organized at FITUR, INVESTOUR promotes sustainable tourism in Africa, offering high level meetings that foster dialogue about new business and cooperation opportunities for African stakeholders and potential international investors and businesses.

The 8th edition of INVESTOUR, held in 2017, facilitated more than 80 meetings between 45 African and international organizations from 23 countries with the participation of over 400 delegates.

Africa offers an immense potential for tourism. UNWTO expects international tourist arrivals to increase from current 58 million to 134 million by 2030.

In this context, INVESTOUR offers the platform for the public and private sector to explore innovative approaches to increase investments in the tourism sector as well as different fields of the tourism value chain such as infrastructures and construction, (renewable) energies, access to water, waste management, communication and technologies, leisure, well-being, etc.
