TCSR started implementing COVID-19 tourism recovery projects in collaboration with the European Bank for Development and Reconstruction (EBRD) with a budget of more than two million euros in thirteen countries

Projects have already been launched in: Jordan, Egypt
Projects are soon to be launched in: Turkey, Croatia, Greece and Morocco
Projects to be launched at second stage in: Albania, Armenia, Georgia, Lebanon, Montenegro, Tunisia, Uzbekistan

Dialogue on collaboration in COVID-19 tourism recovery is on-going with other funding agencies including ADB, AfDB, IADB, JICA, UNDP, World Bank
In Summary

41 projects are on-going out of which 17 have adopted COVID-19 tourism recovery components.

13 new UNWTO/EBRD COVID-19 recovery projects will be implemented out of which two have already been launched and four will be launched shortly.

8 additional projects are in the pipeline through funding from World Bank, Agence Française de Developpement, and Governments; and further arrangements are being made with development partners for new projects.

In 2020 TCSR expects to develop a portfolio of around 60 projects with an operating budget of about US$11 mn. benefiting over 40 countries.
