SEEA-EEA accounts, tools and linkages

Accounts in Physical Terms:
1. Ecosystem extent account
2. Ecosystem condition account
3. Ecosystem services supply and use account - physical

Tools:
- Classifications
- Spatial units, scaling & aggregation
- Biophysical modelling

ACCOUNTS IN MONETARY TERMS:
4. Ecosystem services supply and use account - monetary
5. Ecosystem monetary asset account

Integrated accounts:
- Combined presentations
- Extended supply and use accounts
- Sequence of accounts
- Balance sheets

Thematic accounts:
- Land
- Water
- Carbon
- Biodiversity

Tools:
- Valuation techniques
