Executive summary
Pursuant to decision 4(CXII), the Executive Council approved the establishment of a Working Group composed of Member States with the mandate to present a proposal of integral reform of the legal framework of the Affiliate Members to the 24th session of the General Assembly.

the rules and procedures set forth in the Charter of Affiliate Membership annexed to the present document as Annex I; and

5. *Supports* the proposal of the Working Group on the transitional composition of the Committee on Matters Related to Affiliate Membership.
I. Introduction

1. As explained in document CE/112/3(b) rev.3 (Annex IV-C), the Secretariat submitted the conclusions of an extensive evaluation of the legal framework of affiliate membership to the attention of the Committee for the Review of Applications for Affiliate Membership, on the occasion of a working meeting celebrated in Madrid in January 2020 within the framework of FITUR 2020, which was attended by delegates of Azerbaijan, Côte d'Ivoire, Islamic Republic of Iran and Saudi Arabia.

2. The Committee recognized that its terms of reference, adopted by resolution 172(VI), and the procedure for the submission of applications for affiliate membership, adopted by decision 16(XXXI), which date back to 1985 and 1986, respectively, no longer respond to the objectives of the Organization, indicating the need of important changes and improvements in the legal framework of affiliate membership.

3. The Committee also noted that the rules of procedure of the Committee of the Affiliate Members, which cover matters like rights and obligations of Affiliate Members and admission procedure, did not incorporate any input from Member States in the revisions made in 2011 (resolution 602(XIX)) and 2017 (resolution 702(XXII)), but exclusively from Affiliate Members.

4. During the 50th meeting of the Board held in FITUR in January 2020, the Board of the Affiliate Members was informed that the Affiliate Members Department was working on an update of the existing legal framework, that would be presented during the 112th session of the Executive Council, and invited the Board to actively participate in the process. The Board welcomed and supported the initiative.

5. In view of the foregoing, the Secretary-General requested the Executive Council, at its 112th session held in September 2020, to approve his proposal to review the existing legal framework governing Affiliate Members and to set the basis for the creation and operation of a committee on affiliate membership composed of Member States.

6. Through decision 4(CXII) the Executive Council approved the proposal of the Secretary-General and established a working group formed by Member States, including the Members of the current Committee for the Review of Applications for Affiliate Membership, as well as the Chair of the Board of Affiliate Members, with the mission to submit to the next sessions of the Council and to the 24th session of the General Assembly a proposal of integral reform, for consideration and approval.

7. The Secretariat submitted a progress report to the 113th session of the Executive Council through document CE/113/3(b) and through decision 3(CXIII) the Council requested the Working Group to submit its proposal to its 114th session to be held within the framework of the 24th session of the General Assembly.

II. The Working Group on the Reform of the UNWTO Affiliate Membership Legal Framework

8. The Working Group, with Spain as its Chair, is formed by the following Full Members: Argentina, Azerbaijan, Bahrein, China, Colombia, Côte d'Ivoire, Croatia, Egypt, Honduras, India, Islamic Republic of Iran, Mexico, and Saudi Arabia.

9. In addition to Full Members, Affiliate Members have enriched the proposals considered by the Working Group through their institutional representative in the Working Group, the Chair of the Board of Affiliate Members.

10. Since its first meeting held on 2 December 2020, the Working Group has focused in particular on reviewing the terms and procedures governing the Committee for the Review of Applications for Affiliate Membership and the current Rules of Procedure of the Committee of the Affiliate Members as approved by the 22nd session of the General Assembly in 2017 (A/RES/702(XXII)).
11. The Working Group adopted with consensus its final proposal in its seventh meeting held on 15 July 2021, which is annexed to the present document and further explained in the section below.

III. Reform of the Affiliate Membership Legal Framework

12. The main features of the proposal adopted by the Working Group are the following:

A. The creation of a Committee on Matters Related to Affiliate Membership

13. The Committee for the Review of Applications for Affiliate Membership will be replaced by a new Committee on Matters Related to Affiliate Membership with a broader mandate and composition than its predecessor.

14. This new Committee aims to act as the body that should enhance the integration of the Affiliate Members within the UNWTO’s structure. Therefore, this newly reformed subsidiary body of the Council will provide to the Affiliate Members an effective and institutional channel for interaction with Member States.

15. Among its functions, the following stand out:

(a) to establish the annual strategy and the main objectives of Affiliate Membership in consultation with the Board of the Affiliate Members;

(b) to consider all the applications for Affiliate Membership received in accordance with the established criteria and admission procedure, and submit recommendations to the Executive Council;

(c) to report to the Executive Council on the status of Affiliate Membership, including suspension of the Affiliate Members or any other change in the status of the Affiliate Members;

(d) to take all necessary measures, in consultation with the Secretary-General, for the implementation of the decisions and recommendations of the Assembly and the Council in relation to Affiliate Membership and to report thereon to the Council.

16. The Committee shall be composed of nine Full Members, recommended by the Regional Commissions and appointed by the Executive Council for a term of office of four years, the Chair of the Board of the Affiliate Members and a representative of the Associate Members.

17. In order to reach the composition of nine Members, the Committee will be composed of one Member per each of the six regions, and then two additional Members from the region with the highest number of Affiliate Members and one additional from the region with the second highest number of Affiliate Members.

18. The Committee shall meet ordinarily within the framework of the Executive Council, or extraordinarily at any time as required by the Executive Council, with the possibility to take an urgent decision by placing it under silence procedure.

19. With the purpose of clarifying the matters over which the Committee of Affiliate Members is competent and in accordance with the consolidated input submitted by the representative of the Affiliate Members, the Working Group has decided to split the current Rules of Procedure of the Committee of the Affiliate Members into two separate texts, resulting in a new legal text: the “Charter of Affiliate Membership”.

20. The Charter will cover the fundamental requirements, criteria and admission procedures for affiliate membership, as well as the rights and obligations of all Affiliate Members that had
been previously covered by the Rules of Procedure of the Committee of the Affiliate Members. In addition, the Charter will set out the terms, composition and work methods of the newly established Committee on Matters Related to Affiliate Membership.

21. The Rules of Procedure of the Committee of the Affiliate Members will continue covering the terms, composition and work methods of the Plenary and the Board of the Affiliate Members, as well as the Code of Conduct of the Board of the Affiliate Members annexed thereto.

C. Eligibility criteria for Affiliate Membership and admission procedure

22. The Working Group has provided clarification to the categories of entities to which affiliate membership is open.

23. The Secretariat will have the responsibility to request the endorsement from the Government of the State in which the headquarters of the candidate is located, instead of the candidate itself, as currently occurs. This endorsement will be requested once the complete information requested in the admission process has been received and is in line with the criteria set out in the Charter of Affiliate Membership.

24. The Admission Procedure for Affiliate Members has been reinforced by introducing a due diligence procedure increasing the role of States in the verification and approval process, and involvement of the Committee on Matters Related to Affiliate Membership.

D. Termination of Affiliate Membership

25. Affiliate Membership may be terminated at any time by the loss of any of the essential requirements for eligibility, e.g., withdrawal of the endorsement of the State in which the Affiliate Member is headquartered.

26. Additionally, the Working Group is submitting a proposal to modify Detailed Financial Rule IV.2 so that the General Assembly may decide that an Affiliate Member ceases membership for unjustified failure to settle its arrears after it has fallen under the provisions of paragraph 13 of the Financing Rules, that is to say, when the amount of its arrears equals or exceeds the amount of contributions due from it for the preceding two financial years.

27. The proposed amendment is the following:

"When an Affiliate Members falls under the provisions of [Article 34 of the Organization’s Statutes] paragraph 13 of the Financing Rules, the Secretary-General shall request the Affiliate Member to settle its arrears or to submit a payment plan within six months of the date of such notification, or to withdraw from the Organization. If such a Member does not comply with this request, the General Assembly, upon a proposal of the Secretary-General, may decide that it has ceased to be an Affiliate Member as from such date as the General Assembly may determine."

28. All necessary information on the amendment to DFR IV.2 is submitted in document A/24/5(b).

E. Plenary of the Affiliate Members

29. According to the current Rules of Procedure of the Committee of the Affiliate Members, the only functions of the Plenary – the organ in which all Affiliate Members are represented – are the election of members of the Board of Affiliate Members and the adoption of amendments of said Rules.

30. In order to better regulate the functioning of the Plenary, more functions of this body have been established in relation to the programme of work of the Affiliate Members and affiliate membership, and a quorum has been explicitly established for decision-making.
31. The Plenary shall meet every two years in the framework of the General Assembly instead of every year.

F. Board of Affiliate Members

32. The functions of the Board have been reviewed and updated to bring them into line with the practical realities and the statutory framework of the Organization. Among these functions, the following are highlighted:

(a) to take administrative and technical decisions between sessions of the Plenary and to report to the Plenary at its following session;
(b) to provide recommendations and proposals to the Secretary-General for the preparation of the Programme of Work for the Affiliate Members;
(c) to provide recommendations and proposals to the Committee on Matters Related to Affiliate Membership on the annual strategy and the main objectives of Affiliate Membership;

33. The term of office of the twenty-three Members of the Board will now be four years instead of two and its working methods have been more accurately developed.

34. The Code of Conduct, which applies to all the Members of the Board, will be annexed to the Rules of Procedure, and it may be modified by the Committee on Matters Related to Affiliate Membership.

IV. Procedure for approval of the Reform of the Affiliate Membership Legal Framework

35. The proposal adopted by the Working Group constitutes an integral reform of two bodies, the Committee for the Review of the Applications for Affiliate Membership and the Committee of the Affiliate Members, both subject to different legal frameworks, in addition to the proposed amendment to the Detailed Financial Rules mentioned above (see document A/24/5(b)).

36. While the rules applicable to the Committee for the Review of the Applications for Affiliate Membership as set forth in resolution 172(VI) do not refer to any particular amendment procedure, changes to the Rules of Procedure of the Committee of the Affiliate Members shall comply with the procedure established in its Article 13.

37. Pursuant to paragraphs 4 and 5 of Article 13, the present proposal shall be subject to adoption by the Plenary of Affiliate Members and then submitted for approval by the General Assembly.

V. Transitional composition of the Committee on Matters Related to Affiliate Membership

38. According to decision 2(CXI) adopted by the Council at its 111th session in September 2019, the current composition of the Committee for the Review of the Applications for Affiliate Membership until 2023 is as follows:

(a) Africa: Côte d’Ivoire
(b) Americas: Honduras
(c) East Asia and the Pacific: China
(d) South Asia: Iran
(e) Europe: Azerbaijan
(f) Middle East: Saudi Arabia

39. If the proposal of the Working Group is approved by the Assembly, the newly established Committee on Matters Related to Affiliate Membership will succeed the Committee for the Review of the Applications for Affiliate Membership. However, the new Committee is composed of nine Full Members – that need not be necessarily Members of the Council – instead of six.

40. Therefore, insofar as the term of office of the six Members mentioned above ends in 2023, the Working Group recommends that only three new Members be elected in order to reach
the composition of the Committee on Matters Related to Affiliate Membership according to Article 7.1 of the proposed Charter of Affiliate Membership:
- 2 Members from the region with the highest number of Affiliate Members
- 1 Member from the region with the second highest number of Affiliate Members

41. According to the information made available by the Secretariat on the current number of Affiliate Members, the three Members would need to be elected by the Executive Council as follows:
- 2 Members from Europe
- 1 Member from the Americas

42. In this respect, the Working Group proposes that the three additional members be elected from among its own members and, in particular, that the Executive Council elect Croatia (subject to confirmation), Mexico and Spain.

43. Finally, even though the term of office of the Members of the Committee on Matters Related to Affiliate Membership is four years, the Working Group proposes that it be aligned with that of the previous six Members and that the term of office of all nine Members end in 2023.
