Title of the project: Tourism Experiences of the Future
Country/countries of execution: NEOM, Kingdom of Saudi Arabia
Terms and conditions – Tourism Experiences of the Future

The World Tourism Organization (hereinafter, “UNWTO”) in line with its commitment to innovation and the promotion of entrepreneurship in tourism, is holding the Tourism Experiences of the Future Challenge with the support of NEOM.

UNWTO has among its objectives to strengthen the entrepreneurial ecosystem and boost innovation in the tourism. The UNWTO is the United Nations agency responsible for the promotion of responsible, sustainable and accessible tourism for all. The UNWTO, as the leading international organization in the field of tourism, advocates tourism that contributes to economic growth, inclusive development and environmental sustainability, and offers leadership and support to the sector to expand its knowledge and tourism policies throughout the world. Its members include 158 countries, 6 Associate Members and more than 500 Affiliate Members representing the private sector, educational institutions, tourism associations and local tourism authorities.

One of the current priorities of UNWTO is to promote connections among the actors that form part of the entrepreneurship and innovation ecosystem in tourism as a means for the generation of employment and business opportunities, as well as for the sustainable development of the sector.

Cities and regions increasingly need to generate new experiences both for their own inhabitants and for the tourists they receive annually.

NEOM is the world’s most ambitious project, an entirely new land purpose-built for a new way of living, NEOM. NEOM is in North-Western Saudi Arabia, comprising a total area of 26,500 km². The Kingdom of Saudi Arabia has established a special authority to oversee NEOM chaired by His Royal Highness Prince Mohammed bin Salman. The project is backed by more than $500 billion over the coming years, managed by the Public Investment Fund of Saudi Arabia.

NEOM will have the world’s first independent international zone, with a regulatory framework that will adopt world-class investment laws to support residents and targeted economic sectors and will operate under an autonomous judicial system subject to independent regulations and legislation, which will be drafted by investors in accordance with international best practice.

Work on NEOM has already started, and construction will commence once the research and planning phase is finalized. The bulk of the construction will be completed within the next 7-10 years.
