I. Amendment to the Detailed Financial Rule IV.2

1. Through resolution 4(CXII) the Executive Council approved the proposal of the Secretary General and established a Working Group for the Reform of the UNWTO Affiliate Membership Legal Framework (WG-AMLR), which submitted to the 24th session of the General Assembly a proposal of integral reform of the UNWTO Affiliate Membership Legal Framework for approval. Please refer to A/24/17(b).

2. Additionally, the Working Group submitted a proposal to the General Assembly, under document A/24/5(b), to modify Detailed Financial Rule IV.2. With this amendment, the General Assembly may decide that an Affiliate Member ceases membership for unjustified failure to settle its arrears after it has fallen under the provisions of paragraph 13 of the Financing Rules instead of Article 34 of the Statutes, that is to say, when the amount of its arrears equals or exceeds the amount of contributions due from it for the preceding two financial years instead of four years.

Proposal of amendment

3. Pursuant to Financial Regulation 13.1 (a), the General Assembly recommends to the Executive Council the following amendment to the Detailed Financial Rule IV.2:

“When an Affiliate Members falls under the provisions of [Article 34 of the Organization’s Statutes] paragraph 13 of the Financing Rules, the Secretary-General shall request the Affiliate Member to settle its arrears or to submit a payment plan within six months of the date of such notification, or to withdraw from the Organization. If such a Member does not comply with this request, the General Assembly, upon a proposal of the Secretary-General, may decide that it has ceased to be an Affiliate Member as from such date as the General Assembly may determine.”
