5. The Committee examined, and recognized as valid, the credentials of three Associate Members of the Organization.
6. The Committee examined and recognized as valid, the credentials of the Democratic Republic of Congo, the Republic of El Salvador, the Syrian Arab Republic and the State of Kuwait.
7. However, the Committee requested the UNWTO Secretariat to follow up with four Full Members in order to regularize their credentials as soon as possible, in accordance with the requirements indicated in resolution 357 (XII) adopted by the General Assembly.
8. Furthermore, the Committee examined, and recognized as valid, one proxy vote from Kyrgyzstan for Agenda item 18 "Place and dates of the twenty-fifth session of the General Assembly".
9. The Committee reiterates its request to the UNWTO Secretariat to follow up with those Full Members which have not yet submitted the originals of their credentials so that they duly forward them to the UNWTO Secretariat at their earliest convenience, in accordance with the applicable rules.
10. The Committee recommends the Assembly to allow those Full Members that have not submitted their original credentials and that are represented by Ministers or Plenipotentiary Ambassadors to participate with full rights in the present session and requests the Secretariat to follow up with them so that they submit valid credentials at their earliest convenience, according to Rule 14 of the Rules of Procedure of the General Assembly.
11. Furthermore, the Committee noted that two sets of different credentials were received from Myanmar, the first dated 12 November 2021 and the second dated 22 November 2021, and reviewed the procedural concerns raised thereby.
12. The Committee took into account the consistent practice of the United Nations indicating that, in matters concerning the recognition by the United Nations of the representation of a Member State, the Specialized Agencies of the United Nations should be guided by the position adopted by the United Nations General Assembly, under resolution 396(V) adopted by the United Nations General Assembly in 1950. The Committee was informed that the Credentials Committee of the United Nations General Assembly had not yet considered the question of Myanmar's credentials, which has also arisen at the current session of the United Nations General Assembly.
13. Therefore, the Committee, noting the practice of the United Nations General Assembly and the decisions of other Organizations of the UN system such as the World Health Assembly of the World Health Organization (WHO) at its 74th session held from 24 to 31 May 2021, the International Labour Conference of the International Labour Organization (ILO) at its 109th session held between 7 and 19 June 2021, and the Conference of the Food and Agriculture Organization (FAO) at its 42nd session held between 14 and 18 June 2021, recommends the Assembly that it defers a decision on the credentials of Myanmar, pending guidance from the Credentials Committee of the current session of the United Nations General Assembly.
14. Following this review, the Committee recommends not to accredit at this stage any delegate from Myanmar.
