Executive Summary

The report of the Chair of the Affiliate Members Board summarizes the most relevant activities of the
Affiliate Members since the 115th session of the Executive Council (Madrid, Spain), whose main
objectives were to strengthen the integration of the Affiliate Members within the Organization and to
improve the collaboration with the Member States.

The Affiliate Membership – as representatives of the private sector – stands ready to contribute to the
recovery and development of the tourism sector for the benefit of the Affiliate Members, of the Member
States and of the Organization.

The Affiliate Members elected in December 2021 their new Board, which took office at the beginning of
the year for a four-year mandate.

The Board of the Affiliate Members manifests its willingness to convene consultations with the
Committee on Matters Related to Affiliate Membership regarding the strategy and objectives for the
Affiliate Membership for the period 2022-2023.

The Affiliate Members will continue to work together with the Organization for the promotion of the
Affiliate Membership, with special focus on the regions with great tourism potential but relatively fewer
Affiliate Members.
