

Invitation to Tender IT/PUB/2013-1 Print on Demand (PoD) and Shipping Services

Amendment (as of 2 September 2013)

The following alterations and/or corrections are made to the Tender Notice:

1. In Page 11 of 24:

ENVELOPE A – TECHNICAL PROPOSAL
General and administrative documentation

The former text:

- Document providing ISO 9000 Certificate (Quality Management)

Shall read as new text:

- Document providing ISO 9001 Certificate (Quality Management) or equivalent international quality certificate

2. In Page 14 of 24:

Evaluation criteria
Production Quality

The former text:

- ISO 9000 Certificate
- Evaluation of delivered samples

UNWTO will provide the interested Bidders, upon request by email to pub1@unwto.org, with the necessary electronic, print ready documents to prepare printing samples. These samples shall be included into the technical proposal (envelope A).

Shall read as new text:

- ISO 9001 Certificate or equivalent international quality certificate
- Evaluation of delivered samples

UNWTO is publishing the link to the electronic documents for the printing samples:

Please notice that

1. “Tourism and Intangible Cultural Heritage” should be printed in 4/4 while
2. “The Chinese Outbound Travel Market – 2012 Update” should be printed in 4/4 **and** 1/1 (black and white).

Therefore, we would need three samples in total (one of the “Intangible Cultural Heritage”, two of the “Chinese Outbound”). These samples shall be included into the technical proposal (envelope A).
