NOTE VERBALE

The Secretariat of the World Tourism Organization (UNWTO) presents its compliments to the Members of the UNWTO Commission for South Asia and has the honour to inform them that the upcoming 59th Meeting will include the nomination for membership of the Task Force on “Redesigning Tourism for the Future”.

The change needs to be reflected in the document on nominations and elections to governing organs and their subsidiary bodies following decision 6(CXVIII) taken by the Executive Council at its 118th session (16-18 May 2023, Punta Cana, Dominican Republic).

According to the approved Rules of Procedure of the Task Force, one member from South Asia can represent the Region in the newly established subsidiary body of the Executive Council.

The interested Members of the UNWTO Commission for South Asia are kindly requested to submit their candidatures for the membership of the Task Force through an official communication addressed to the UNWTO Secretary-General prior to the Commission Meeting.

The Secretariat of the World Tourism Organization avails itself of this opportunity to renew to the Members of the UNWTO Commission for South Asia the assurances of its highest consideration.
