

Survey Findings on Members Priorities for the UNWTO Programme of Work (PoW) 2024-2025 and the Long-term Vision

### Rationale of the Survey

- Define short and long-term approaches in terms of the sector's development vision and the required reforms for the Organization
- Identify member and non-member States' primary needs, challenges, and viewpoints for the UNWTO to address tailored services
- Consolidate feedback from the public sector and the industry stakeholders to reflect as a unified voice in the PoW

### Characteristics of the Survey

- Planning and implementation phases and the rigor and transparent process
- Robust and reliable qualitative data derived and inductive method employed
- Closed and open-ended questions
- Diversity of focus: global, regional, sub-regional and national

### Level of Performance

- 132 Member States and 4 Associate Members
- 82% of coverage of the entire membership (Full and Associate)
- Contributions received from 29 Asian States and territories, i.e. 94%
- Contributions received from 7 non-member States (worldwide)
- Affiliate Members Board
