² According to resolution A/RES/EXT-1/5, the General Assembly decided to suspend the membership of the Russian Federation in accordance with Article 34 of the Statutes from exercising the rights and enjoying the privileges of membership, including the right to participate in the UNWTO meetings. The Russian Federation requested to withdraw from the Organization through a Note Verbale sent to the Ministry of Foreign Affairs, European Union and Cooperation of Spain, Depository of the Statutes of the Organization, on 26 April 2022. According to Rule 55(5) of the Rules of Procedure of the General Assembly, “If a Member ceases to belong to the Council before its term of office expires, a by-election shall be held at the following session of the Assembly to replace that Member until the end of its term of office”. The 68th meeting of the UNWTO Commission for Europe recommended Azerbaijan as member of the Executive Council for the period 2023-2025, following the decision by consensus of electing for the vacant seat the 5th most voted candidate in the previous vote.
I. Executive Council: Election of Members

1. The General Assembly is required to elect, at each of its sessions, one-half of the membership of the Executive Council, in accordance with Article 14(1) of the Statutes of the Organization, which reads as follows:

“The Council shall consist of Full Members elected by the Assembly in the ratio of one Member for every five Full Members, in accordance with the Rules of Procedure laid down by the Assembly, with a view to achieving fair and equitable geographical distribution.”

2. Article 15 of the Statutes also stipulates that:

“The term of elected Members shall be four years. Election for one-half of the membership of the Council shall be held every two years.”

3. This provision is enlarged upon in Rule 55(1) of the Rules of Procedure of the General Assembly, paragraph 4 of which reads:

“The term of office of the Members of the Council shall begin immediately following their election by the Assembly and shall end on the election of their successors.”

4. Article 14(1) of the Statutes provides that the total number of the Organization's Full Members determines the number of seats on the Council. In order to achieve, so far as possible, fair and equitable geographical representation, the number of seats per region is calculated on the basis of one seat for every five Members out of the total number of Members in each region.

5. At its 22nd session in Chengdu, China, the General Assembly decided (resolution 697(XXII)) to amend Rule 54 of the Rules of Procedure of the General Assembly as follows:

“The Assembly shall elect by secret ballot the Members of the Council in the proportion of one Member of the Council for every five Full Members of the Organization, having regard to fair and equitable geographical distribution. This proportion shall be applied to the number of Full Members by region (see annex I) in order to determine the number of seats on the Executive Council to be allocated to the corresponding region.”

6. Consequently, in accordance with the number of Full Members per region at the date of this document, the Council may be composed of 34 members in addition to Spain as a permanent member, during the period between the twenty-fourth and twenty-sixth sessions of the General Assembly.

7. The current membership of the Executive Council whose terms of office expire in 2023 is indicated in Annex II.

8. The current membership of the Executive Council until 2025 and the nominated candidates (2023-2027) by the Regional Commissions to the Executive Council to be elected by the General Assembly are indicated in Annex III.

9. Seventeen Full Members will have to be elected to the Council in the ratio of 1 member for every 5 Full Members per region, as follows:

4 According to resolution A/RES/EXT-1/5, the General Assembly decided to suspend the membership of the Russian Federation in accordance with Article 34 of the Statutes from exercising the rights and enjoying the privileges of membership, including the right to participate in the UNWTO meetings. The Russian Federation requested to withdraw from the Organization through a Note Verbale sent to the Ministry of Foreign Affairs, European Union and Cooperation of Spain, Depositary of the Statutes of the Organization, on 26 April 2022.
