

WORLD TOURISM ORGANIZATION GENERAL ASSEMBLY

A/16/23 Madrid, July 2005 Original: French

Sixteenth session
Dakar, Senegal, 28 November -2 December 2005
Provisional agenda item 23

ELECTION OF COUNCIL MEMBERS

Note by the Secretary-General

The Secretary-General submits to the Assembly in the attached document the information on the composition of the Executive Council and the geographical distribution of its membership among the six regions, as well as on the number of new seats to be assigned to each region for the election of half the Council's Members, in accordance with the relevant statutory and regulatory provisions.

ELECTION OF COUNCIL MEMBERS

1. The General Assembly is required to elect, at each of its sessions, one-half of the membership of the Executive Council, in accordance with Article 14(1) of the Statutes of the Organization, which reads as follows:

"The Council shall consist of Full Members elected by the Assembly in the ratio of one Member for every five Full Members, in accordance with the Rules of Procedure laid down by the Assembly, with a view to achieving fair and equitable geographical distribution."

- 2. This provision is repeated in rule 1(1) of the Rules of Procedure of the Executive Council.
- Article 15 of the Statutes also stipulates that:

"The term of elected Members shall be four years (...). Election for onehalf of the membership of the Council shall be held every two years."

4. This provision is enlarged upon in rule 55(1) of the Rules of Procedure of the General Assembly, paragraph 4 of which reads:

"The term of office of the Members of the Council shall begin immediately following their election by the Assembly and shall end on the election of their successors."

- 5. Article 14(1) of the Statutes provides that the total number of the Organization's Full Members determines the number of seats on the Council. In order to achieve, so far as possible, fair and equitable geographical representation, the number of seats per region is calculated on the basis of one seat for every five Members out of the total number of Members in each region.
- 6. At the time this document was prepared, Full Members of the Organization numbered 149 (see Annex 1), taking into account the admission of the Bahamas on 25 November 2005 and Papua New Guinea's and Timor-Leste's candidatures for full membership pending approval by the Assembly. Consequently, during the period between the sixteenth and the seventeenth sessions of the Assembly, the Council will be composed of twenty-nine Members, i.e. one more than the number of outgoing Members, in addition to Spain as a permanent Member.
- 7. The Members are also informed of the United Kingdom's intention to join the Organization shortly. The formalization of this membership could take place between now and the holding of the General Assembly. If so, the number of Member States would reach 150, which would bring the number of seats on the Executive Council to 30.

- 8. The current membership of the Executive Council is indicated in Annex 2. The Members are reminded that at the last session of the General Assembly the Commission for the Americas decided to split the term of office of two of its seats on the Executive Council, on the one hand, between Brazil for the first two years (2003-2005) and Peru for the following two years (2005-2007), and on the other, between Mexico for the first two years (2003-2005) and Canada for the following two years (2005-2007). Annex 3 sets out, in tabular form, the terms of office according to region since WTO's inception.
- 9. The table in Annex 4 illustrates the situation, subject to the submission of other possible candidatures for membership, or the possible renunciation of a candidate. Needless to say, the data given below would have to be changed to reflect such modifications.
- 10. This annex was prepared assuming the number of Members to be 149 (not including the United Kingdom). It would have to be modified if an official communication confirming its membership is received from this country, or if another candidate it admitted.
- 11. Column 5 of Annex 4 shows that the terms of office of thirteen Members expire at the sixteenth session of the General Assembly. Column 6 shows that twelve Full Members will have to be elected to the Council in the ratio of one Member for every five Full Members, as follows:

Africa 3 seats
Americas 2 seats
East Asia and the Pacific no seat
Europe 4 seats
Middle East 2 seats
South Asia 1 seat

TOTAL

12 seats

- 12. It appears that due to historical reasons, in the case of three regions --Africa, East Asia and the Pacific, and the Middle East the number of seats to be assigned varies greatly from one General Assembly session to the next. In the case of Africa, 3 seats are to be assigned at this session, compared to six seats at the 2007 session. With respect to the two other regions, no seat is assigned at one Assembly session while two are assigned at the following one.
- 13. In order to remedy the situation, the Secretary-General suggests that the Commission for the Middle East give one of its candidates a four-year term of office, to expire in 2009, and the other two a two-year term expiring in 2007. For the Commission for South Asia, the proposal would be to assign a two-year term to one seat, especially if the region, as is probable, is allocated a so-called "floating" seat. This would make the number of seats to be assigned by these regions more balanced starting in 2007: one seat at each Assembly session. A proposal, aiming at the same purpose, could be made to the regions of Africa and East Asia and the Pacific at the seventeenth session of the Assembly.

- 14. Column 7 shows that to represent the fourteen remaining Members, two more Members should be elected to the Council. It may therefore be necessary to take a vote to assign the seats corresponding to the surplus Members (so-called "floating" seats), among all the regions.
- 15. The two additional Members to be elected by the General Assembly to arrive at the total of twenty-nine seats correspond not to sets of five Members in one or other of the six WTO regions but to the total of the fractions of five Members remaining in these regions, viz.:

| Africa | 3 Members |
|---------------------------|-----------|
| Americas | 3 Members |
| East Asia and the Pacific | 1 Member |
| Europe | 1 Member |
| Middle East | 2 Members |
| South Asia | 4 Members |
| | |

TOTAL

14 Members

This gives entitlement to the assignment of two "floating" seats, as shown in Annex 4 (three, in the event of the presence of the United Kingdom).

- 16. Since its fourth session in 1981, the General Assembly has elected Members of the Executive Council on the basis of a procedure which provides for two ballots:
 - the first ballot is held to assign the new seats on the Council when the total number of Members from each of the regions constitutes sets of five, on the basis of candidates presented by each of the regions,
 - the second ballot is then held to assign the seats corresponding to the total number of the remaining Full Members arrived at by adding the remaining fractions from each region.
- 17. Nevertheless, on various occasions in the past, a prior consensus has been reached to allocate the seats of the various regions and those corresponding to the surplus Members on the basis of the proposals made by the Regional Commissions. It will therefore be necessary to decide whether the two "floating" seats should be allocated to the regions with the most surplus Members, beginning with South Asia (surplus Members after the initial allocation) and excluding the East Asia and the Pacific and the Europe regions (only one surplus Member after the initial allocation).

- 18. In the event that the total number of Members is 150, logic would dictate that the so-called "floating" seats should go to the regions of Africa, the Americas and South Asia.
- 19. At the time of the preparation of this document, the following States had communicated to the Secretariat, on the date appearing between brackets, their intention of presenting their candidatures for membership of the Council for the period 2005-2009:

- 20. Any other candidatures reaching the Secretariat before the date of the Assembly will be announced in an addendum to this document.
- 21. It should be recalled that Executive Council decisions 4(XXXIII) and 4(XXXIV) recommend that "... only Members of the Organization having no unjustified arrears (paragraph 12 of the Financing Rules attached to the Statutes) shall be eligible for election to the Executive Council".
- 22. The General Assembly is invited to elect new Members to serve on the Executive Council for the period between the sixteenth and eighteenth or seventeenth sessions of the General Assembly, in accordance with the procedure set out above, that is to say, twelve Members in the first ballot and two in the second, if no prior consensus is reached.
