

Creating a community focused on empowering housewives economically through culinary tourism.

# PROBLEM

**BOUNDAW**

She has always dreamed of building her own food business.

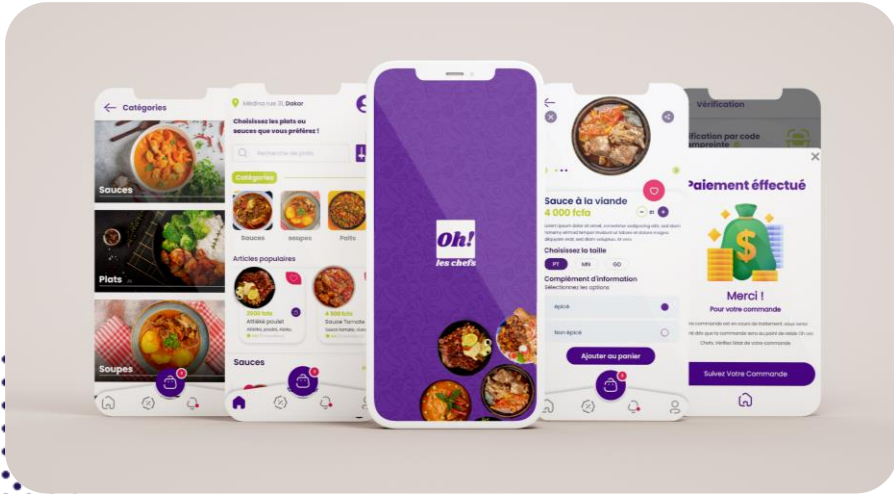

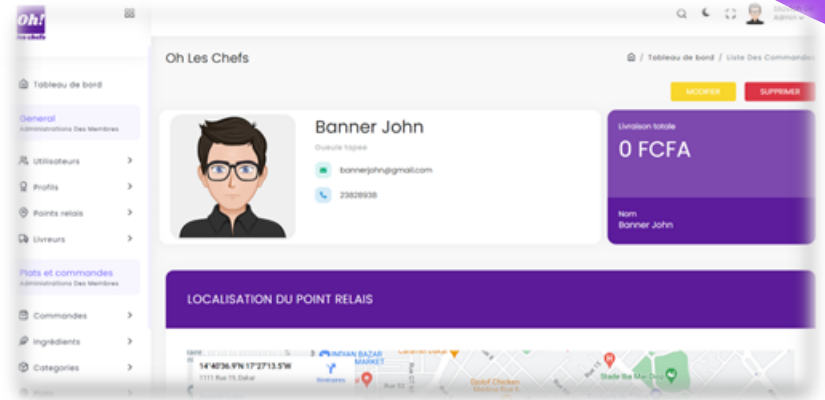

**SEBASTIAN**

He would like to taste genuine local cuisine in the countries he visits.

# SOLUTION

Oh les chefs, a marketplace that connects home chefs with customers.

# MARKET VALIDATION

**Chez Terena**  
4,5 ★★★★★ (144) ⓘ  
Restaurant africain · Ouvert

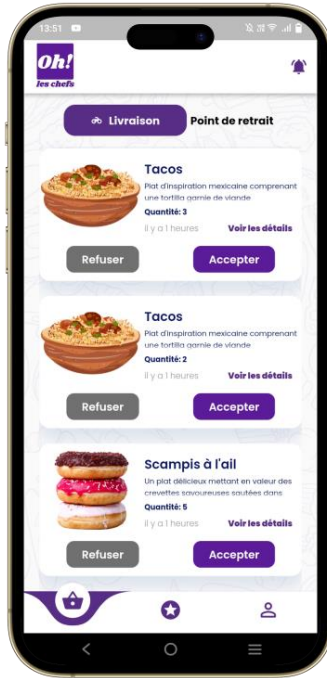

[Gérer le profil de votre établissement](#)

*Chez Terena*

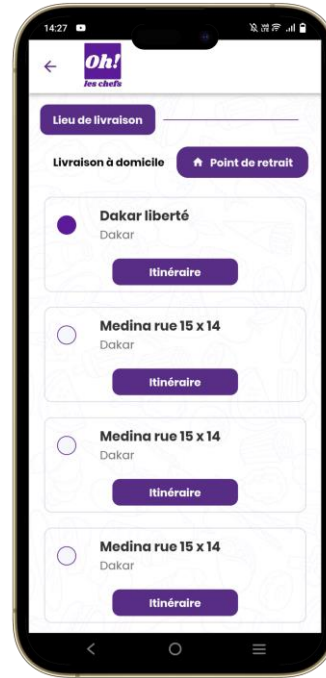

The complex block contains a collage of images at the top. On the left is a TikTok video showing the restaurant's entrance. To its right are three smaller images: a plate of food with meat and rice, a glass of beer, and a box of macarons. Below the collage is the restaurant's name, rating, and status. At the bottom right is the restaurant's logo and name.

# PRODUCT OVERVIEW

We have successfully developed the initial version of our solution, and we are currently in the testing phase.

Shef

Local customers

Tourists

# BUSINESS MODEL

We have a business model with two revenue streams.

## MAIN

Commission on orders.

**25%**

## SECOND

Sale of packaging and  
main ingredients.

# TEAM

## Founders & Management

ZAKARIA DABONE

RAMATOULAYE KONATE

TITO GBEDJEHA

## Advisors

KADER JAWNEH  
Food

YOANN ADJALLAH  
Finance

DJIBY KONATE  
Technology

# IMPACT

We can create economic opportunities for thousands of housewives, enabling them to achieve financial independence.

The slide features four large, solid purple circles positioned at the corners: top-left, top-right, bottom-left, and bottom-right. The text is centered on a white background.
