A screenshot of the Matéria Projecto website homepage. The page features the project's logo at the top left and navigation links for language selection (PT | EN). The main title "matéria" is prominently displayed with "PROJECTO" underneath. Below the title are three search/filter boxes: "Product" (with a dropdown arrow), "Region" (with a dropdown arrow), and a search bar labeled "Search by name". The central area of the page contains three photographs: one showing three individuals (two women and one man) standing outdoors near industrial tanks; another showing a man in a blue shirt standing in a field; and a third showing a man in green overalls working in water, possibly fishing or harvesting. On the right side of the page, there is a vertical menu with links: "ABOUT", "FARMERS", "MAP", "CALENDAR", "COMMUNITY", "REGIONS", and a logo consisting of a stylized letter "O" with horizontal lines extending from it.
