Why is Andorra committed to health and wellness tourism?
There is a growing worldwide trend towards taking care of the body and mind.

"Global wellness economy will grow at a steady 9.9% annually. Furthermore, the annual growth rate of wellness tourism is expected to reach 20.9% on average between 2020 and 2025."

"Wellness is a big global business that generated US$5.6 trillion in revenue in 2022."
