SUSTAINABLE MOUNTAINS TRANSFORMATION IN GREECE: WHAT'S ON THE MENU?

VEE BOUGANI
CEO

Sustainable Food Movement Greece
Mountain Tourism Greece

- Popular since 1976
- 19% of Greek land out of 60.2% of mountains are Natura Protected areas
- 19 Snow Resorts
- 351 Organised Camps
- 68 Mountain Shelters
- N/3208/08 Policy act for transforming villages over 3K Feet into Touristic Destinations
- 100K visitors annually
- 60% of them are foreigners
- 43 M € Fund on Sustainable Mountain Tourism
WHY DO WE NEED TO INVEST IN MOUNTAIN TOURISM?

- Enjoy Nature in all Seasons
- Extend Winter Vacations
- Real Life Detox
- "Bring Life" back to Northern Regions
- Secure Biodiversity
- Promote Cultural Diversity
- Learn about Local History & Heritage
- Create Job Opportunities
- Support local farmers & producers
Mountain Tourism & Gastronomy

- High quality produce & tasty food represent region’s culinary heritage
- Consumers visit places because of local cuisine
- Gastrotourism exists!
- The combination of agrotourism & gastronomy bring more visitors to small regions
